PLAIN TREAD LOADER DOZER

OFF-THE-ROAD TIRES

The **PLAIN TREAD LOADER DOZER** bias tire offers maximum cut protection for extreme service loader/dozer applications with certain sizes available with nylon-steel construction for added cut and impact protection.

- ✓ *Super heavy duty plain tread design for extreme service applications*
- ✓ *Extra tough plain tread design is 250% deeper than our SRG L3*
- ✓ *Some sizes available in "steel shield" construction for additional cut and impact protection*
